RE: Montana Coal Board Grant Award Status

Dear Mayor Fink:

The Montana Coal Board contingently awarded grant funds for the Town of Hysham application #0898 for the Wastewater System Rehabilitation Project Phase I at the March 12, 2020 Coal Board meeting based upon available revenue. Currently revenue is insufficient to execute a contract between the Department of Commerce and the Town of Hysham.

The Department of Commerce receives monthly budget updates for the account the Montana Coal Board uses to grant funds, to determine if revenue is sufficient to begin routing contracts for projects that have been awarded contingent upon available revenue. Budget updates are provided to the Montana Coal Board and to the public at the quarterly meetings. When revenue becomes available in an amount sufficient to cover the awards made, Commerce will route contracts with awarded grantees. Until a contract is executed with the Department of Commerce, proceeding with the project and incurring any project related expenditures are at the risk of the applicant.

For more information about the next meeting and materials provided to the Board and public, please visit the Montana Coal Board website: <https://comdev.mt.gov/Boards/Coal/Meetings>.

If you have any questions, please do not hesitate to contact Community Development Division staff at DOCCDD@mt.gov or 406-841-2770.

Sincerely,
